<p>Boot Camp</p> <p>A combination of strength, cardio, muscle endurance, flexibility, core, and functional movement patterns.</p>	<p>Cardio Strength & Core</p> <p>Burn Calories! Build Muscle! Strengthen Your Core! Cardio mixed with strength training segments; followed by intensive core work.</p>	<p>Circuit Training</p> <p>Strength & aerobic exercises performed in rotation with minimum rest.</p>	<p>Kettle Bell</p> <p>Build strength, vaporize fat, and maximize training time while challenging your aerobic & anaerobic condition, balance, strength, and flexibility.</p>	<p>Muscle Pump</p> <p>Build strength and tone muscles with barbells and dumbbells.</p>
--	---	---	---	---

<p>Pilates</p> <p>Exercises that strengthen the abs, back, hips, and thighs. Pilates tones your entire core while improving balance and flexibility.</p>	<p>TRX Training</p> <p>Build a strong core for strength and explosiveness in movements using your arms, shoulders, back, hips, and thighs.</p>	<p>Spin</p> 	<p>Yoga</p> <p>Suitable for all levels. Yoga is an alignment oriented practice based on physical postures (asanas), flexibility, deep breathing, and mindfulness.</p>	<p>ZUMBA</p> <p>Have fun and get into shape! Easy to follow, Latin inspired, calorie burning dance party!</p>
